BIG CROWD SEES MACKENZIE RACER WIN CHURCHILL DOWNS STAKE.

Froglegs, from the Schorr Stable, Rules Favorite. but Races Disappointingly and Is Last at the Finish-Old Rosebud an Easy Winner,

Louisville, Ky., May 17.—The Clark Handicap, one of the oldest fixtures run annually at Churchill Downs, featured today's racing and was responsible for bringing to the course an attendance second in point of numbers only to that of Derby day. The heavy track militated considerably against the race and was likewise responsible for numerous withdrawals from it, only four starters making the contest for the \$2.080 that went to the winner. Froglegs, because of his sterling performance in a previous start, and his well-known liking for soft going, ruled a strong favorite, but he disappointed sadly when he finished last, many lengths behind the others. R. J. Mackenzie's Buckhorn, in receipt of three pounds from Froglegs and carrying 122, made the pace throughout, and though staggering at the end, held on in game fashion, to get home a length in advance of the underrated Flora Fina. The latter's effort was a fine one, for she maintained a forward position from the start and was steadily wearing the winner down during the stretch drive. Froglegs was prominent for three-quarters only, then began to falter badly and fell an easy victim to Any Port's challenge for third money. Some of the horsemen were inclined to believe that the hard race Froglegs had in his previous start the hard race Froglegs had in his previous start the hard race for the host today's performance. Buckhorn, on the other hand, seemed to have been benefitted by it.

The Mackenzie establishment scored a double during the afternoon when Helen Barbee accounted for the secondary feature, a handicap at six furlongs. She was tractable at the post today, broke well and assumed command at once, but, like Buckhorn, had to stand a hard drive near the end to take the purse. Samuel R. Meyer, running to his best foundant alonger distance.

H. C. Applegate's crack juvenile, Old Rosebud, starting in the second race against four others of his own age, proved himself far the best, and looms up prominently among the top notchers here as a result of the impressiveness

played with his opposition in the early stages and spreadeagled them in the stretch when freed from restraint.

There was much crowding in the fifth race. The winner, Prince Hermis, played a prominent part in the mix-ups and for a while his backers thought that he might be disqualified. The stewards, after questioning his rider, Teahan, let the result stand as the horses finished. Prince Hermis' chief offense came during the stretch run when he began boring badly and impeded Strenuous, forcing the rider of the latter to take him back. Previously Prince Hermis had interfered with Cream. Some were inclined to blame him also for the interference on the first turn that resulted in Madelle's fall, but this crowding was probably unavoidable. Jockey C. Peak, who rode Madelle, escaped injury.

Adair & Baker were forced to stand another runp from Capt. W. F. Cisco this afternoon when Busy won the closing dash. He was entered for \$400 and, bid up to \$1,100. was retained with an additional bid of \$5. Busy ran like a stake horse in the going and led all the way.

J. N. Camden returned today from New York and winessed the sport. He brought back with him a beautiful diamond scarf pin, which he presented to trainer J. O. Keene in recognition of Imperator's victory in the Breeders' Futurity at Lexington.

Jockey W. Hopkins secured his release today from E. R. Bradley's establishment and will go to Canada to ride as a free lance. He will go with the Moore Johnson stable on Tuesday next and will be temporarily attached to that owner's stable. Johnson will take six of his own horses and several owned by William Gerst for an extensive campaign on the Canadian courses.

J. S. Ward has hopes of getting Solar Star to the post for the Latonia Derby.

J. S. Ward has hopes of getting Solar Star to the post for the Latonia Derby.

Azyiade came out of her last start badly cut the bind legs as a result of getting jumped on by Casey Jones. Adams Express also pulled up lame today after a five-furlong trial in company with Holonob after the last race.

The total amount of the wagering today exceeded any previous Clark Handicap day and almost reached last year's Derby day figure. General Manager Winn said it was easily the best Clark Handicap day in the history of Churchill Downs.

Kenneth Karrick, the promising apprentice rider who has been showing good form in the saddle here, is the only son of trainer W. H. Karrick, who has the strings of H. K. Knapp, F. R. Hitcheock and Thomas Hitcheock in charge at the local tracks. Jokey Karrick is now seventeen years old and this is his second season in the saddle. He is still entitled to the apprentice allowance and can ride as light as ninety-eight pounds. His finish of Thursday last on Yankee Notions was as good a bit of riding as has been seen at the Downs in a race this season.

P. J. Miles has added another horse to his stable by the purchase from trainer Lee Christy of the three-year-old black colt by Dick Welles-Mary Graves, This youngster is a half brother to Stamps and has never raced. Abadie will get him ready for the Latonia meeting.

ence-Kentucky Handicap's Fine Field.

Louisvilie, Ky., May 17.—The Kentucky Handicap, \$10,000 added, the star feature of the opening of the twelve-days' meeting at Douglas Park, on Monday, May 26, will be the richest race decided in Kentucky since the Civil War. With the exception of such events as the Grey Eagle-Wagner matein race and the other contests similar in character in the long ago, it is doubtful if ever in the Commonwealth such a sum of money has been available for the owner of a winning horse on a running track. Even the famous Kentucky Futurity trotting race at Lexington has never been as valuable as the Kentucky Handicap will be. The winning of this event alone will place the victor high in the list of money-earning horses of the present time.

Manager John Hachmeister of Douglas Park hopes to perpetuate the Kentucky Handicap. He intends that it shall be a feature at each spring meeting just as the Brooklyn Handicap was at Gravesend, the Suburban Handicap, at Oakland, Cal., and the Club Members' Handicap at Washington Park, Chicago; the Burns Handicap, at Oakland, Cal., and the Club Members' Handicap at St. Louis, The races named were all conditioned like the Kentucky Handicap are vear-olds, and over.

OLDEST OF AMERICA'S CONTINUOUSLY-RUN RACES ABOUT TO BE DECIDED IN CANADA

The usual elaborate preparations are being made for next Saturday's opening of the Canadian racing season at Woodbine Park, Toronto, under the auspices of the Ontario Jockey Club. Society invariably claims opening day at Woodbine for its very own and next Saturday will be no exception. Clubbouse and lawns will be filled to overflowing with the elfte of Canada and the ocasion will be one of great brilliancy, if the past may be taken as a criterion. From a racing standpoint, the feature of the day's program will be the fifty-fourth running of the King's Plate, which enjoys the distinction of being the oldest of American racing fixtures that are still being run. This race was instituted in 1800 and has been run continuously ever since. The honor of winning the King's Guineas is a distinction that is eagerly sought by the Canadian owners who furaish the contestants for the race. The stake has been fostered and enriched year by year to such an extent by the Ontario Jockey Club that it has finally come to be the most valuable of all Canadian fixtures, which, of course, is in keeping with its traditions. Its estimated value for this season's running is \$6,000.

The conditions of the race are as follows:

THE KING'S PLATE (1913), 50 guineas, the gift of his his majesty King George V. (the oldest

For three-year-olds and upward, the property of a British subject resident in Ontario, foaled, raised and trained in Ontario that have never won a race, either on the flat or across country, other than a race exclusively for two-year-olds, have never left Canada and have never been for a period of mcre than one month out of this province. Winners to carry 5 pounds extra. Death of nominator does not render entry void. One mile and a quarter. A piece of plate will be presented by the club to the winner. To be run Saturday, May 24.

H. Giddings, who furnished the winner of 1911 in St. Bass, one of the best race horses ever produced in Canada, holds a strong hand for next Saturday's renewal of the race in Hearts of Oak, Ondramida and Widow Wise. Hearts of Oak was the champion of Canadian-bred two-year-olds of last season and has been training well for his three-year-old engagements. He has ruled a strong favorite for the Plate all along, although of late the work of Mausolus and others in preparation for the race has attracted attention and support

PIMLICO GOING CHANGES

EASTERN RACE-GOERS PUT IN DISAGREEABLE DAY AT MARYLAND COURSE.

Parr Entry Finishes First and Second in the Pimlico Nursery and Enniskillen Wins the Crickmore Memorial Steeplechase.

Baltimore, Md., May 17.—Racing at Pimlico this afternoon was under disagreeable conditions. The weather was cold and raw and a drizzling rain fell steadily. The track was heavy, as heavy tracks at Pimlico go, and horses that fancied soft going were in their element. Scratches were numerous in some of the races, but the two feature contests suffered less than the others on that score. Besides the Crickmore Memorial Steeplechase, there was offered as an additional attraction the Pimlico Nursery, a dash of four and a half furlongs for two-year-olds, Eleven jumpers went to the post in the steeplechase race and seven of them finished, the winner turning up in Enniskillen, which beat Relluf by a length. The Belmont entry were supposed to hold the others safe in the Pimlico Nursery, but they proved a big disappointment. The Parr entry, Excentor and Mater, mished first and second, beating the others off. Executor showed that he was a good mud rumer by dashing to the front and drawing away into a commanding lead. He had an eight lengths' advantage in entering the homestretch and he beat his stable companion three lengths after being eased up at the finish.

Corn Broom, which finished second in the second race, paid holders of \$2 place tickets \$301.60.

The disappointment of the day was furnished by Bwana Tumbo, which was beaten by Virile in the six-furlongs handicap, for which he was a prohibitive choice. Bwana Tumbo was outrun from the start and, under a hard drive, managed to get up in time to finish second.

Previous to the races this afternoon a sale of horses was held in the paddock, when the following were disposed of: Phew, to J. M. Cooper, \$205; Long Tail, J. E. Bavis, \$230; Sweet Spices, J. M. Milburn, \$100; Bessie Belle, E. Hall, Jr., \$50; Castara, M. C. Kelly, \$142; Lucullea, E. Cockey, \$93; Danny Weiskopf. E. Cockey, \$102; Irvin P. Diggs, J. J. Caffery, \$110; Pigle C. E. SUGGESTS A NATIONAL FUTURITY.

Lexington, Ky., May 17.—A well-to-do turfman who is not a Kentuckian, but who maintains a theroughbred breeding stud in Kentucky and who has a string of horses in training and is always mindful of the turf and create a greater interest in the sport of racing, suggested while here this week a National Futurity, which would have an estimated value of \$25,000 and would produce \$5,000 for charity.

"I would like to see the two-year-old thoroughbred championship decided over the Lexingtón track during the second week in November of each year," said he. "I would like to see one gala day here every year after the regular Tacing season is over and to that end I have arranged the following conditions for a National Futurity to be run in the autumn of 1916 and over which the Kentucky State Racing Commission will, I hope, take supervision in conjunction with the Kentucky Association;

ENDURANCE STAKES TO BE RICH RACE.

Louisville, Ky., May 17. The Kentucky State Racing Commission, with the entire membership present, consisting of Messrs, Milton Young, J. N. Camden, George J. Long, Charles F. Grainger and T. H. Talbot, met today and awarded the Kentucky Endurance Stakes, four miles, to Churchill Downs, on the New Louisville Jockey Club's bid of \$10,000 added. The Douglas Park management submitted a bid of \$8,500 for the race. These were the only two bids made. Last year the race had \$7,500 added, while the year previous, when it was run for the first time, \$3,000 was the amount of the added, money. The conditions of the race will supposedly be the same as formerly, as the commission made no recommendations for any changes. The division of the purse money was also left to the discretion of the Churchill Downs management. The \$1,000 gold cup, donated to the winner of the race by the Commission, will again be a feature of the race. The members of the Commission also approved the appointment of J. T. Ireland as patrol judge at Churchill Downs. He will also serve at Douglas Park.

WESTERN RACING MAN'S TRAGIC END.

Harold E. Magill, city clerk of Oakland, Cal., who owned Prickles and other horses when racing flourished in California, committed suicide yesterday by leaping from the fourteenth story of the new city hall at Oakland. His body was crushed by the fall of 200 feet. Magill had been in ill health for several months and told one of his associates just before bits tragic end that he had not slept for three weeks.

Rumor has it that Colonel, the Hon. John S. Hendrie, of Hamilton, will be the next lieutenant-governor of Ontario. Colonel Hendrie, who is now in the Ontario government, is the oldest of the sons of the late William Hendrie, one of the pillars of the Canadian turf and a model sportsman. It is admitted that Colonel Hendrie can have the post if he desires it. The lieutenant-governor, who is the official head of the province, has been a patron of racing at Woodbine during the terms of office for the last twenty years. Sir William Mortimer Clark, who preceded the present lieutenant-governor, was and is a Presbyterian elder and had never been on a race course until he went to Government House. Strong efforts were made to induce him to remain away from Woodbine, but he resisted them on the ground that what interested so many good people ought to receive some of his consideration unless he found reason to the contrary. So he went regularly in an official way and enjoyed his visits to such an extent that, though now out of office, he continues them as a private citizen, declaring that the outing and the meeting of old friends do him a vast deal of good.

Jockey Mondon has returned from Baltimore, where he succeeded in having his suspension raised and he will ride at Woodbine. Mondon will assist in galloping the Giddings' horses regularly in future.

John Louis ruled second choice, while Cantem was held at the liberal odds of 12 to 1. He displayed a high flight of speed and led all the way, Loween not being equal to the task of overtaking him.

Seneca was returned the winner of the handicap sprint, his performance being highly meritorious, as his rider was handicapped by the turning of his saddle during the running.

Hugh E. Springer, who presides over the destinies of the British Columbia Thoroughbred Association, came over from Vancouver today. The object of his visit was to sell his horses at private sale. He sold Roseitaire to A. T. Davis and Seneca to J. Tigue. He was accompanied by T. A. Davies, who is now engaged in business at Vancouver. Mr. Davies still retains an interest in racing and has eight horses in training at Minoru Park.

Winner—Br. g, by Disguise—Swiftfoot (trained by J. Tigue).

Went to post at 4:29. At post 1 minute. Start good and slow. Won driving: second and third the same. SENECA forced the pace nearly all the way and, although his rider was handicapped by his saddle slipping, the horse outgamed all opposition through the final sixteenth. TRULY closed a big gap and finished with a great rush on the outside. ELIZABETH HARWOOD showed extreme speed in pacemaking and lung on very gamely koday. PARLOR BOY finished fast and close up from a slow beginning and so did SEA CLIFF. LACKROSE quit.
